

Annex 3
Information and Communication Requirements
EEA and Norway Grants 2014-2021

1. General principles

1.1 Purpose

Communication is an integral part of the implementation of the funding made available from Iceland, Liechtenstein and Norway through the financial mechanisms (herein after called EEA and Norway Grants). All information and communication measures undertaken by the National Focal Points, Programme Operators, Project Promoters, and entities acting as partners¹ in the implementation of the EEA and Norway Grants shall bring to the attention of the general public of the European Economic Area the contribution of the grants to the overall objectives:

- (a) contribute to the reduction of economic and social disparities in the European Economic Area; and
- (b) strengthen bilateral relations between Iceland, Liechtenstein and/or Norway and the Beneficiary States.

1.2 Aims

Information and communication about assistance through the EEA and Norway Grants shall:

- i. increase public awareness and inform the general public about the contribution and role played by the Donors Iceland, Liechtenstein and Norway,
- ii. ensure transparency and legitimacy of the assistance from the Donor(s);
- iii. create a coherent picture of the EEA and Norway Grants in the Beneficiary and Donor States;
- iv. inform potential and actual beneficiaries; and potential and actual partners from Iceland, Liechtenstein and Norway about EEA and Norway Grants; and
- v. communicate the impact and results of the Donors' contribution to the Beneficiary States.

All information and communication measures listed in this Annex shall be regarded as minimal requirements. All actors are encouraged to conduct additional communication activities.

All measures carried out shall be in line with the Communication and Design Manual provided by the FMC/NMFA.

¹ Entities acting as partners are e.g. Implementing Agencies, international organisations, donor programme partners, international organisations

2. Beneficiary States

2.1. Responsibilities of the National Focal Points

With the aim of highlighting the contribution from Iceland, Liechtenstein and Norway through the EEA and Norway Grants, and to ensure that assistance from the Grants is transparent and fulfil the aims referred to in paragraph 1.2, the National Focal Point shall proactively provide information on the EEA and Norway Grants and its Programmes to the general public of the Beneficiary State, potential beneficiaries, relevant stakeholders and partners.

The National Focal Point shall ensure that Programme Operators fulfil their information and communication obligations, paragraph 3 of Article 3.2 of the Regulation.

The National Focal Point shall designate one person to be responsible for information and communication who shall coordinate the implementation of the information and communication activities in the Beneficiary State, paragraph 2(d) of Article 3.2 of the Regulation. This person shall support and act as a coordinator for the Programme Operators information and communication activities and facilitate a network for the Programme Operators' information and communication activities and assist in making the results visible.

The designated person shall cooperate with Donor Embassies and the Joint Committee for Bilateral Funds, and coordinate communication on bilateral cooperation within and outside of the Programmes.

2.1.1 Develop and implement a Communication Strategy

With reference to paragraph 2(a) of Article 3.2 of the Regulation, the National Focal Point shall develop a Communication Strategy with the aim of creating awareness of the existence, the objectives, the possibilities for and actual bilateral cooperation with entities in Iceland, Liechtenstein and Norway, the implementation, results and the overall impact of the EEA and Norway Grants in the Beneficiary State.

A SWOT analysis, evaluate strengths, weaknesses, opportunities and threats, and suggested mitigation efforts shall be the point of departure for the Strategy. Beneficiary states with a contribution of 100 million Euros or more from the EEA and Norway Grants shall consider to undertake a baseline study.

The Communication Strategy shall include at least the following:

- (a) a description of the objectives of the communication and the target groups, including Programme Operators, potential and actual beneficiaries, general public, potential and actual partner entities from Iceland, Liechtenstein and Norway;
- (b) the strategy, means and content of the information and communication measures, having regard to the added value and impact of assistance from Iceland, Liechtenstein and Norway at national, regional and local levels, and within the supported sectors;
- (c) at least three major information activities on progress and impact, such as a seminar or a conference with stakeholders, a press conference or press event, including;

- i. a major launching event publicising the assistance from the Donor(s) through the EEA and Norway Grants, presenting the objectives of the Grants, the programme areas and the possibilities for support and encouraging cooperation with entities in Iceland, Liechtenstein and/or Norway; and
 - ii. a major closing event publicising the results, achievements and impact made possible through the support from the Donor(s), including the bilateral cooperation with entities in Iceland, Liechtenstein and/or Norway and sustainability of the cooperation with the Donor State(s).
- (d) a web strategy that includes a dedicated website and the use of relevant social media;
- (e) information on the administrative departments or bodies responsible for implementation of the information and communication measures, including a contact person;
- (f) a plan for how the information and communication measures are to be evaluated in terms of visibility and awareness of the EEA and Norway Grants, the objectives and impact, supported Programmes and of the role played by Iceland, Liechtenstein and/or Norway.

2.1.2. Review of the Communication Strategy

The National Focal Point shall submit the Communication Strategy to the FMC/NMFA within six months of the date of last signature of the Memorandum of Understanding.

In the absence of comments made by the FMC/NMFA within two months of the receipt of the Communication Strategy, the strategy shall be deemed to be accepted. If the FMC/NMFA sends comments within two months of receipt of the Communication Strategy, the National Focal Point shall within one month send a revised Communication Strategy to the FMC/NMFA.

In the absence of further comments by the FMC/NMFA within one month of submission of a revised Communication Strategy, the plan shall be deemed to be accepted.

The National Focal Point shall commence information and communication activities, where relevant, even in the absence of the final version of the Communication Strategy.

The need to amend the Communication Strategy shall be assessed as new Programmes are approved and in the Strategic Report. The amended Communication Strategy shall be submitted to the FMC/NMFA for comments.

2.1.3. Implementation and monitoring of the Communication Strategy

The National Focal Point shall ensure that the information and communication measures are implemented in accordance with the Communication Strategy and that they aim to reach the widest possible audience, including key stakeholders at the appropriate territorial levels.

The implementation of the Communication Strategy and activity plan, as described in the Communication and Design Manual, shall be submitted to the FMC/NMFA with the Strategic Report.

Organisers of information events such as conferences, seminars, fairs and exhibitions in connection with the implementation of the EEA and Norway Grants, its Programmes and Projects, shall make explicit and visible the support of Iceland, Liechtenstein and Norway through the EEA and Norway Grants.

The National Focal Point shall inform the FMC/NMFA in advance of any major information activities in order to provide the FMC/NMFA the opportunity of participating.

2.1.4. Web requirements

Each Beneficiary State shall acquire the addresses [www.eeagrants.\[country specification\]](http://www.eeagrants.[country specification]) and [www.norwaygrants.\[country specification\]](http://www.norwaygrants.[country specification]), and direct it to a dedicated website with information on the EEA and Norway Grants. These domain names shall be the standard URL for EEA and Norway Grants web pages on Beneficiary State levels, and shall be used for promotional purposes. The address [www.norwaygrants.\[country specification\]](http://www.norwaygrants.[country specification]) is not required of Beneficiary States receiving support from the EEA Grants only.

The National Focal Point shall decide whether to collate information on the programmes they are responsible for on one website, or if each Programme has their own dedicated web presence. A joint website for all Programmes is strongly encouraged. If there is a joint website for all the Programmes, the National Focal Point must make sure sufficient resources are allocated to regularly update the webpages on all Programmes in the Beneficiary country's language(s) and English. The National Focal Point shall assist the Programme Operators in defining a Programme name or abbreviation for the web, based on the approved programme name in the Programme Agreement. It must be adapted for and easily applicable on the web and redirect the appropriate URL, [www.eeagrants.\[country specification\]/\[adapted Programme name\]](http://www.eeagrants.[country specification]/[adapted Programme name]), or alternatively [www.norwaygrants.\[country specification\]/\[adapted Programme name\]](http://www.norwaygrants.[country specification]/[adapted Programme name]), to the Programme website/webpage.

All entities involved in the implementation of the EEA and Norway Grants should include information about the Grants, Donors and relevant links to find further information on their organisation's website. To ensure consistency and context, all websites shall provide links to results and impact from previous support funded by Iceland, Liechtenstein and Norway through the EEA and Norway Grants.

The National Focal Point shall ensure that the dedicated website complies with responsive web design and the Web Content Accessibility Guidelines for the visually impaired.

To ensure that information is accessible to Donor(s), Donor Partner(s), International Organisations and the general public from outside the Beneficiary State, the dedicated website shall be regularly updated in the language(s) of the Beneficiary State and in English, and include the following:

- i. information on the overall objectives of the EEA and Norway Grants, the Donors and the EEA agreement;
- ii. information on bilateral cooperation with Iceland, Liechtenstein and/or Norway, including involvement of Donor Programme Partners;
- iii. information on all programmes;
- iv. information on results and impact of the support from the EEA and Norway Grants;
- v. a visible link to alert suspicion of mismanagement of funds;
- vi. an overview of open calls under the Programmes, including an overview of the estimated launch of calls in advance;
- vii. relevant documents, including Strategic Reports and minutes from Annual meetings;
- viii. links to all Programme websites/webpages;
- ix. a link to the website of the EEA and Norway Grants [link];
- x. links to websites of other relevant institutions;
- xi. contact information and information on a dedicated press contact; and
- xiii. relevant photos and videos.

2.2. PROGRAMME OPERATORS²

2.2.1. Responsibilities of the Programme Operator

With the aim of highlighting the assistance from Iceland, Liechtenstein and Norway through the EEA and Norway Grants and of ensuring that assistance from the Grants is transparent and fulfil the aims referred to in paragraph 1.2, the Programme Operator shall provide information on the Programme and the EEA and Norway Grants to the general public of the Beneficiary State, potential beneficiaries, relevant stakeholders and partners. The Programme Operator shall develop and implement the Communication Plan as described below.

The Programme Operator shall on an annual basis report to the National Focal Point on information and communication obligations. - ix. links to websites of Donor Programme Partners and other relevant institutions;
- x. contact information; and
- xi. if possible, a donor partner search database.

All entities involved in the Programme implementation of the EEA and Norway Grants should include information about the Grants and relevant links to find further information on their organisation's website, regardless of whether the Programme's web presence is a part of their organisation's website or a stand-alone separate website. To ensure consistency and context, all websites/webpages shall provide links to results and impact from previous assistance from the EEA and Norway Grants funded by Iceland, Liechtenstein and Norway.

2.3. PROJECT PROMOTERS

2.3.1. Responsibilities of the Project Promoter

With the aim of highlighting the assistance from Iceland, Liechtenstein and/or Norway through the EEA and Norway Grants and of ensuring that assistance from the Grants is transparent and fulfil the aims referred to in paragraph 1.2., the Project Promoter and Project Partners shall provide information on the project to the widest possible audience at the appropriate national, regional and/or local levels, including relevant stakeholders. The Project Promoter shall develop and implement the Communication Plan as described below. The Project Promoter shall report to the Programme Operator on information and communication obligations.

2.3.2. Preparation of the Communication Plan

Potential beneficiaries shall include a Communication Plan in their project application, with the aim of creating awareness of the existence, the objectives, any bilateral cooperation with entities in Iceland, Liechtenstein and/or Norway, the implementation, results and the impact of support from the EEA and Norway Grants to the project, in accordance with paragraph 3 of Article 3.3 of the Regulation.

The Communication Plan shall include at least the following:

- (a) the aims and target groups, including stakeholders on national, regional and/or local levels and the general public;
- (b) the strategy and content of the information and communication measures, including activities, communication tools and timeframe, having regard to the added value and impact of the EEA and Norway Grants' funding;
- (c) at least three information activities on progress, achievements and results in the project, such as a seminar or a conference with stakeholders, a press conference or press event, including a launch activity and/or a closing activity for the project. For projects whose grant size is less than € 500,000, two information activities are sufficient and can be of smaller scale;
- (d) measures for making information on the project available on the web, either through a dedicated website or through a dedicated webpage on the organisation's existing website with linking between the pages, or, alternatively, through an active social media profile for the project where a website does not already exist.

Where a social media profile is created for a project and after the final eligibility date of the project, the social media profile shall remain visible and all information shall remain accessible;

- (e) information on the web, available on websites, webpages or social media profiles, shall include information about the project, its progress, achievements and results, the cooperation with entities in Iceland, Liechtenstein and/or Norway, relevant photos, contact information and a clear reference to the Programme and the EEA and Norway Grants. The information of the project must be regularly updated in the language(s) of the Beneficiary State.

All projects receiving a minimum of € 150,000 support from the EEA and Norway Grants and/or having a Donor Project Partner shall be required to have the dedicated project information in English as well as in the national language;

(f) information on the administrative departments or bodies responsible for implementation of the information and communication measures, including a contact person;

(g) an indication of how the information and communication measures are to be evaluated in terms of visibility and awareness of the project and the EEA and Norway Grants, their objectives and impact, and the role of Iceland, Liechtenstein and/or Norway.

2.3.3. Implementation of the Communication Plan

The Project Promoter shall ensure that the information and communication measures are implemented in accordance with the Communication Plan and that they aim to reach the widest possible audience, including key stakeholders at the appropriate territorial level(s).

Organisers of information events such as conferences, seminars, fairs and exhibitions in connection with implementation of the EEA and Norway Grants, its Programmes and projects shall undertake to make explicit and visible the support of Iceland, Liechtenstein and/or Norway through the EEA and Norway Grants.

The Project Promoter shall, during the implementation of the project, put up a billboard at the site of each operation in line with requirements of the Communication and Design Manual and which fulfils the following conditions:

(a) the total public contribution to the operation exceeds € 50,000;

(b) the operation consists in the financing of a physical object, infrastructure or of construction operations.

The Project Promoter shall replace the billboard with a permanent commemorative plaque that is visible, of significant size and in line with the Communication and Design Manual no later than six months after completion of the project.

The Project Promoter shall ensure that those taking part in the project have been informed of the funding from the relevant Programme and the Donor State(s) through the EEA and Norway Grants.

3. Donor States

3.1. Donor Programme Partners

With the aim of highlighting the Donors' assistance through the EEA and Norway Grants and of ensuring transparency, the Donor Programme Partner shall provide information on their involvement in the implementation of Programme(s) to the general public of Iceland, Liechtenstein or Norway, potential beneficiaries and relevant stakeholders.

This includes creating awareness of the existence, the objectives, the possibilities for and actual bilateral cooperation between Donor entities and entities in Beneficiary States, the implementation, results and the overall impact of support from the EEA and Norway Grants through the Programme, and (where relevant) within the supported sector(s) to the general public in the Donor state(s).

The Donor Programme Partner shall make this information available on their existing website in their own language(s), with links to relevant calls for proposals

The Donor Programme Partner shall ensure that a person shall be responsible for communication work, including updating the web regularly and developing a communication and activity plan to fulfil the Donor Programme Partners communication obligations. It is suggested that Donor Programme Partners cooperate with ministries in the relevant donor country in implementing their communication efforts.

The Donor Programme Partner report on communication activities in the annual progress report.

3.2. Donor Project Partners

With the aim of highlighting the Donors' contribution through the EEA and Norway Grants and of ensuring transparency, the Donor Project Partner shall provide information on their involvement and the outcome of their project to the general public of Iceland, Liechtenstein or Norway and relevant stakeholders. Information about the project shall be available on the website of the organisation.

4. International Organisations

With the aim of highlighting the Donors' contribution through the EEA and Norway Grants and of ensuring transparency, International Organisations shall provide information on their involvement in the implementation of the Grants to relevant stakeholders, and fulfil the aims with reference to paragraph 1.2.

International Organisations shall provide information of their involvement and of the EEA and Norway Grants on their website, highlighting their engagement, including where and with whom they cooperate, who the Donor(s) are and the impact of their contribution.

5. Design and visual profile

All information and communication material related to the EEA and Norway Grants from the National Focal Point, Programme Operators, Project Promoters, Donor Programme Partners and Donor Project Partners shall be in line with the Communication and Design Manual. The Manual sets out detailed technical requirements in respect of the use of logos, as well as billboards, plaques, posters, publications, web presence and audio-visual material.
