# Baseline and point of origin

---

Free Flow of Non Personal Data  
Article 6: “Porting of Data”

Agreed by council: december 2017  
Formal publication: 28-11-2018

# The commission shall....

---

- ... encourage and facilitate the development of self-regulatory codes of conduct at union level;
- ... ensure that the codes of conduct are developed in close cooperation with all relevant stakeholders;
- ... encourage service providers to complete the development of the codes of conduct by 29 November 2019

# Additionally

Mapping the developed Codes to existing certification schemes (6.1c)
