**Eighth United Nations Conference on the
Standardization of Geographical Names**

Berlin, 27 August-5 September 2002

Item 9 (e) of the provisional agenda*

**National standardization: toponymic guidelines
for map editors and other editors**

**Toponymic guidelines of Poland for map editors and
other users**

Submitted by Poland**

* E/CONF.94/1.

** Prepared by Izabella Krauze-Tomczyk, Head, Office of Geodesy and Cartography, Warsaw.

“*Toponymic Guidelines of Poland for Map Editors and Other Users*” was published by the Head Office of Geodesy and Cartography and is its third edition.

The changes introduced in the administrative division of the country led to the need to update the previous edition. The present publication takes the latest data in this field into account and is also a supplement and corrected version when compared with the 1999 edition. Among other features, the collection of entries in the glossary of terms and abbreviations has been substantially extended. The colour administrative map of Poland according to the state existing in 2002 is a supplement to the new version of “*Toponymic Guidelines of Poland*”.

These guidelines containing the following:

- I. Language
 - II. Geographical Names Standardization in Poland
 - III. Sources
 - IV. Glossary of Generic Terms and Country Names Appearing on Maps and in Map Legends
 - V. List of Abbreviations on Maps
 - VI. Administrative Division of the Republic of Poland
-
