*Kærri sendiherra!*

We should like to thank you very much for your work in relation to our state visit to the Republic of Poland and for participating in the visit.

Our hope is that this demanding project proves to be rewarding for you and your team in the Embassy, as well as for Polish citizens in Iceland. Of course we also hope that the visit will serve its ultimate purpose, which was to strengthen the friendly relationship between our two nations and to promote cooperation.

It was a pleasure to visit Warsaw and Gdańsk and experience personally the culture and kindness of the inhabitants. Of course, it also made a great impression on us to learn about the 20<sup>th</sup> century history of Poland, with ample examples of suffering, heroic deeds, and the ambition to safeguard social and ethnic minorities.

With regards,

*Guðni Th. Jóhannesson*
