

III edycja wojewódzkiego konkursu

**EKO jest  
lepsze!**

kategoria wiekowa: 5-6 lat

Konkurs „EKO jest lepsze!” realizowany jest w ramach programu edukacyjnego „Skąd się biorą produkty ekologiczne?”

Jego celem jest zwiększanie świadomości dzieci przedszkolnych i ich rodzin na temat produktów z ekologicznych źródeł, ich wartości odżywczych i certyfikatów jakości oraz produkcji przyjaznej środowisku.

Zadanie konkursowe polegało na przygotowaniu przez grupę przedszkolną pracy plastycznej przedstawiającej ekologiczne gospodarstwo. Pracę należało wykonać w technice kolażu z różnych materiałów naturalnych (np. trawy, patyczki, nasiona itp.) lub recyklingowych (np. tkaniny, fotografie, kolorowe papiery, drobne przedmioty, ilustracje gazetowe itp.)

W konkursie wzięło udział 1986 dzieci, które przygotowały 352 prace konkursowe.

Wojewódzka Komisja konkursowa postanowiła przyznać nagrody:
