RE: Opinion of the conservator on design solutions for the Construction of the right embankment of the Biala River in the City of Tarnów at local chainage of km 0+000 – 0+695, Municipality of Tarnów.

In reference to your note dated 02/03/2015, which was by mistake submitted to the Provincial Authorities for Heritage Protection in Cracow (reception date: 02/04/2014), and then handed over to the Provincial Authorities for Heritage Protection – Office in Tarnów (reception date: 02/09/2015, ref. no.: 283/15) on the aforementioned case, the Provincial Authorities for Heritage Protection – Office in Tarnów provides **a positive opinion for the aforementioned Works Contract.**

We simultaneously inform that the opinion was provided in a note dated 04/29/2014 (ref. no.: OZT.5183.113.214.MSz-W.1) for the Works Contract titled: "Expansion of Flood Embankments and Construction of the Right Embankment of the River Biała in Tuchów, Tarnów, City of Tarnów". No remarks were raised back then in case of the section in question. The remarks raised were related to the issue of extending the embankment on the left side of the River Biała, and they referred to the area located in a direct neighborhood of a historic railway gatehouse (map enclosed), which remains an object entered to the heritage register of the Małopolskie Province with a decision dated August 28, 2014, ref. no.: A-1415/M.
