An insight into the European research and innovation mosaic

We cordially invite you to attend our monthly meeting with a distinguished guest:

Marc Lemaître

**Director General of the Directorate-General for Research
and Innovation, European Commission**

Hosted by Ewa Kocińska-Lange

NCBR Office in Brussels | Business & Science Poland

- What are the lessons learnt from the first years of Horizon Europe, also in relation to the global approach and strategic autonomy?
- How will the recently released Analysis translate into new Horizon Europe Strategic Plan 2025-2027?
- What is needed to make the synergies between different EU programmes work to a larger extent?
- How is the European Commission planning to intensify the take-up of the research and innovation projects' results?
- What is the relation between the European Research Area and Horizon Europe programme?
- What expertise is the European Commission looking for while calling for applications to join the next Horizon Europe interim evaluation expert group, unofficially called also the next Framework Programme (FP10) expert group and what will be the expected result of its work?
