*group hunts on weekdays only (accommodation may start or end at the weekend)

(!) Hunts can only be organised in the Milicz and Żmigród forest district inspectorates if hunters accept that mainly deer species will be scheduled for shooting. Due to the ASF situation, wild boar numbers are and will continue to be very limited.

Wild boars can be hunted in the Jawor forest district inspectorate as of the date of the offers' announcement, but there is no certainty that this situation will continue in the 2024/2025 season.
