

# Lufthansa German Airlines Announcement

**Message to all interested in a flight to Frankfurt Main (Germany) with possible connections to Europe, Canada, the USA, Mexico and Brazil.**

## GENERAL INFO

Lufthansa German Airlines is planning another commercial special flight on Friday, June 5, 2020 at 01:55 AM in order to provide further travel possibilities within the given restrictions due to the ongoing Corona-crisis. Announcements about this flight will be shared via the respective embassies and business councils.

Lufthansa German Airlines is bookable for regular, scheduled flights to/from Riyadh as from mid-June 2020. This date however completely depends on lifting the air travel restrictions to/from Saudi Arabia. Based on the current situation in Saudi Arabia we expect a further delay of regular international air travel.

## DISCLAIMER

As much as Lufthansa wants to support in connecting people around the world with their beloved friends and relatives, we can only operate this flight once sufficient demand is given and all the regulatory approvals are granted.

We kindly ask you to check all the travel rules and regulations with regards to your travel plans with the respective embassies/consulates (including to get to the airport with the curfew restrictions). It is each passenger's responsibility to comply with all visa regulations and current enforced travel restrictions.
