A separate “pool card” will be required for participation in a Media pool and should be picked up at least 20 minutes before the scheduled departure time from Media centre. Journalists must wear the pool card visibly during the pooled photo opportunity.

All journalists attending a specific pool arrangement must gather on time at the meeting point next to the Media Information Desk, from where the group will be escorted to and from the photo opportunity. Journalists arriving late at the meeting point will forfeit their access to the pool.

Journalists participating in pools are requested to gather at the appointed meeting point no later than 20 minutes before the pool starts.
