CITY: Gliwice

POSITION: research assistant (pol. asystent)

FTE DIMENSION: full time

DISCIPLINE: information and communication technology

ANNOUNCEMENT DATE: 2024-07-19

DOCUMENTS SUBMISSION DEADLINE: 2024-08-02 12pm

WEBSITE: www.iitis.pl

KEYWORDS: modelling of stochastic processes, time dependent signals/processes

DESCRIPTION: The Institute of Theoretical and Applied Informatics of the Polish Academy of Sciences offers a position of a research assistant in the Security and Performance Evaluation Group. The person involved will participate in research topics related to modeling the behavior of time dependent processes. The work will also involve issues related to the application of machine learning. The position does not include teaching duties.

Requirements:

- title of 'magister' or equivalent (M.Sc.) in the field of computer science or mathematics;
- good spoken and written English language skills (min. B2);
- good knowledge of Python;
- ability to work effectively as part of a team;
- experience in conducting research work, confirmed by authorship or co-authorship of scientific publications;
- experience in research projects.

Additional requirements:

- knowledge of modelling issues
- knowledge of machine learning;
- participation in international conferences;
- professional experience gained in a scientific institution.

List of required documents:

- Motivation letter;
- Curriculum Vitae, (with the annotation "I consent to the processing by IITiS PAN of my personal data contained in my offer for the purposes necessary for the recruitment process");

- A statement stating that, if the competition is won, IITiS PAN will be a place of scientific activity in the discipline of information and communication technology within the meaning of the Act of July 20, 2018. - Law on Higher Education and Science);
- statement stating that, in case of winning the competition, IITiS PAN will be a place of scientific activity in the discipline of technical informatics and telecommunications, computer science, physical sciences or mathematics within the meaning of the Act of July 20, 2018. - Law on Higher Education and Science);
- Proof of obtained university degree;
- Additional documents (or copies) verifying qualifications.

IITiS PAN does not provide accommodation.

The successful candidate will be employed as a research assistant within the Security and Performance Evaluation Group. If you any questions please contact dr Joanna Domańska, prof. of IITIS PAN at joanna@iitis.pl.

Job applications have to be submitted personally or by post to Secretary of Institute of Theoretical and Applied Informatics, PAS to the address: ul. Bałtycka 5, 44-100 Gliwice. On the envelope it should be written: "Konkurs na stanowisko asystenta w ZMOEiBSK". It is also possible to send the scanned documents via email to the address: konkursy@iitis.pl with the topic: "Konkurs na stanowisko asystenta w ZMOEiBSK" and deliver the documents e.g. via a traditional mail later on, before signing the contract.

The deadline for submitting applications expires on 2024-08-02, 12pm (date of receipt).
