Sports Infrastructure Expo (SIE) Qatar & Conference

It gives me great pleasure to invite you to SIE Qatar, the international Sports Infrastructure Expo and Conference in the region this year.

SIE will be held on 15 - 17 November 2015 with the timing: 11.00 AM – 09.00 PM at Qatar National Convention Center (www.qatarconvention.com) with a space of 15,000 Sqm.

The aim of the expo and the conference is to enable the global Sports Infrastructure community to network, share information and foster its relationship with key Qatari and other global decision-makers on a world-class platform.

This will promote the following:

- Build long-lasting, mutually beneficial partnerships between international suppliers and Qatari contractors.
- Support international companies in finding the relevant opportunities for them to ensure they are successful in Qatar.
- Attract international experts to a world-class conference that addresses the major issues in the field of sports infrastructure.
- Facilitate discussion between leaders of Qatari sport, government and industry, and their colleagues from around the world.
- Communicate details of business opportunities associated with sports infrastructure development for future events hosted in Qatar.

We look forward to Sponsoring SIE event.

Best Regards,

Saeed Al Qisi
General Director
