NOTICE TO SKIPPERS no. 13/2024

Regarding closing the entrance to the reservoir in Czernica, km 229. Odra

Pursuant to Article 14 sec. 1(4) of the Act of July 20, 2017 – Water Law (Journal of Laws of 2023, item 1478) and Art. 43 sec. 6 of the Act of December 21, 2000 on inland navigation (Journal of Laws 2022, item 1097)

State Water Management Polish Waters Regional Water Management Board in Wrocław informs that in connection with the recommendations of the Crisis Management Team of the Minister of Climate and Environment regarding the situation on the Odra River (ZZK MKiŚ) and on the order of the Voivode of Lower Silesia, a netting on entrance to the reservoir in Czernica was installed on March 29, 2024.

Due to the above, the entrance to the reservoir from the Oder has been closed to vessels and appropriate navigation markings were displayed.

The crews of all vessels are obliged to strictly comply with the above prohibition.

The above restriction does not apply to vessels permanently moored at the marina on the Czernica Reservoir.

Current information on the hydrological and navigational situation on the Oder River (shipping information) is available on the website of SWH PW RWMB Wrocław, in the tab [AKTUALNOŚCI - informacje żeglugowe](#). For further information, you can contact the Operations Centre of SWH PW RWMB in Wrocław on working days from 08:00 a.m. to 4:00 p.m. by phone: 71 32 80 587.
