Important Notes:

- All opportunities, except the final press conference, are pool attendance only.
- Participation in any of the pools is contingent on the agreement that any footage obtained as part of a pool must be freely shared with other media in the media centre if requested.
- Participation in the arrivals pool precludes attendance in the opening session pool due to logistical constraints.
- To ensure timely access to the VIP arrivals area on 5 December, media representatives are advised to **arrive at the venue by not later than 07:30**. This allows sufficient time to proceed through security screening and reach the location where VIP arrivals will take place.
- Media interested in pool opportunities must email pressoscemmalta.mfet@gov.mt to register their interest.

Remote coverage and livestreaming

The arrivals of Heads of Delegations, the opening and closing plenary sessions, and the final press conference will be livestreamed on the OSCE website: <https://www.osce.org/live>.

Accredited journalists who are unable to attend in person and require broader access to the proceedings **must register to receive a link for remote participation**. Only registered journalists who have completed the media accreditation process will be granted access to the Virtual Media Centre.

Requests for interviews should be directed to the OSCE Communications and Media Section at press@osce.org.
