Subject: Draft Resolutions submitted to the Monitoring Committee of the Polish Rural Development Programme 2014-2020 under a written procedure, deadline 2 July 2020

Dear Mrs Gierulska,

In response to the letter from Minister Kamiński, dated 29 June 2020, please find below the Commission services' preliminary observations on the draft Resolutions submitted for a decision of the Monitoring Committee through a written procedure. The proposed amendments will be submitted for consultation to other competent Commission services in the context of the adoption procedure of the next Programme amendment.

Draft Resolution Nr 175 repealing draft Resolutions Nr 170 and Nr 173

No observations.

Draft Resolutions Nr 176 and Nr 177

The proposals concern the new measure M21 and the related reallocation of funds. The amendment of the relevant implementing legal act is still under the adoption procedure.

The Commission services are not in the position to notify their opinion before the entry into force of all the relevant legal acts.

Yours sincerely,

(e-signed)
Michael PIELKE
