28 July 2021

NAPMA/PSC(21)41-247/2249

To: National IB Focal Points
Info: Chair and Representatives of the PF Committee
Subject: Request for Nominations of Companies for the NAPMA
Procurement of FLEP NATO Furnished Equipment: Software
Development Environment

Dear colleagues!

With the execution of the FLEP, NAPMA has the contractual responsibility to The Boeing Company to provide as NATO Furnished Equipment (NFE) the items listed in annex 1 to this letter for the installation of a Software Development Environment (SDE) at MOB GK.

In order to comply with the International Competitive Bidding process and established acquisition procedures of the NAPMA Financial Regulations, you are requested to nominate those companies within your nation that are considered suitable to deliver the requirements as detailed in annex 1 to this letter. Full contact details for each nominated company are essential in order to provide for a comprehensive bidders list that will ensure a timely and successful transmission of a Request for Information (RFI) followed by a Request for Proposal (RFP) to the nominated companies. The preliminary timelines for release are stated in Annex 1.

You are also kindly requested to encourage potential nominees to genuinely evaluate their eligibility to participate in the forthcoming RFI and RFP phase in order to ensure that NAPMA's efforts are focused on companies capable and willing to deliver the requirements as requested.

To achieve planning timelines, it would be appreciated if your responses could be made available to NAPMA not later than 27 August 2021. The NAPMA POC for this project are as follows: Technical, Mr. Jochen Walter via e-mail at walter2@napma.nato.int, Contractual, Mr. Les Hendriks via e-mail at hendriks@napma.nato.int.

Best wishes

BGen M. Gschossmann
General Manager
