IV. PROJECT PURPOSE AND JUSTIFICATION

1. Project objectives and assumptions

<i>Attachment in pdf (if applicable)</i>

2. Practical application of the project outcomes

Description of the practical application of the project outcomes
There are no barriers for the practical application of the project outcomes

3. Novelty of the project outcomes

Level of novelty of project results

<input type="radio"/> International range	
---	--

Expected project outcomes

Description of the expected project outcomes
<i>Attachment in pdf (if applicable)</i>

Description of novelty of project outcomes

Description of novelty of project outcomes
--

Attachment in pdf (if applicable)

4. Implementation of the project outcomes

4.1. Implementation description

Implementation date

Anticipated date of implementation		
Method of project outcomes implementation		
<ul style="list-style-type: none">Based on market rules, granting a license for utilising Applicant's rights to results of industrial research and development works or development works only (if the project relates to the latter only) in business activity ran by other companies	“ yes	“ no
<ul style="list-style-type: none">Based on market rules, selling the rights to results of industrial research and development works or development works only (if the project relates to the latter only) for the purpose of introducing them to business activity of another company with preservation for the fact that introducing the results cannot pass for disposing for the purpose of further selling	“ yes	“ no

Description of implementation

--

Implementation risks

--

Intellectual property

Planned protection of intellectual property rights
No barriers in introduction of project outcomes
Description of the advantages (social/economic/environmental) of introducing project outcomes

V. DESCRIPTION OF REASEARCH AND DEVELOPMENT WORKS

1. Project implementation methodology

<i>Attachment in pdf (if applicable)</i>

2. Description of research and development works

2.1. GENERAL RESEARCH

Task number			
Task name			
Task duration (number of months)			
Task start month			
Task end month			
Task objective			
<i>Attachment in pdf (if applicable)</i>			
Task final outcome – milestone			
Name of milestone	Parameter	Description of effects of non-achievement of the milestone	
Eligible costs of the task			

2.2. INDUSTRIAL RESEARCH

Task number			
Task name			
Task duration (number of months)			
Task start month			
Task end month			
Task objective			
<i>Attachment in pdf (if applicable)</i>			

Task final outcome – milestone		
Name of milestone	Parameter	Description of effects of non-achievement of the milestone
Eligible costs of the task		

2.3. DEVELOPMENT WORKS

Task number	
Task name	
Task duration (number of months)	
Task start month	
Task end month	
Task objective	
<i>Attachment in pdf (if applicable)</i>	
Task final outcome – milestone	
Name of milestone	Parameter
	Description of effects of non-achievement of the milestone
Eligible costs of the task	

2.4. PRE-IMPLEMENTATION WORKS

Task number	
Task name	
Task duration (number of months)	
Task start month	
Task end month	
Task objective	
<i>Attachment in pdf (if applicable)</i>	
Task final outcome – milestone	

Name of milestone	Parameter	Description of effects of non-achievement of the milestone
Eligible costs of the task		

2.5. SUPPORT FOR ESTABLISHING SPECIAL PURPOSE VEHICLES

Task number		
Task name		
Task duration (number of months)		
Task start month		
Task end month		
Task objective		
<i>Attachment in pdf (if applicable)</i>		
Task final outcome – milestone		
Name of milestone	Parameter	Description of effects of non-achievement of the milestone
Eligible costs of the task		

3. Complementary character of the planned works and research funded under other national and European programmes

--

4. Project risks

--

5. Project implementation schedule

Gantt Chart														
Category of works ¹	Task number	year					year							
		...	8	9	10	11	12	...	8	9	10	11	12	...

¹ General research (BNP), industrial research (BP) or development works (PR)/pre-introduction works (PPW), support for establishing special purpose vehicles (SC).

VI. ACHIEVEMENTS AND EXPERIENCE OF THE LEADER AND RESOURCES AT THE APPLICANT'S DISPOSAL

1. Scientific achievements and experience of the Leader

First name	Surname	Education	Academic title/degree				
ORCID							
Breaks in the academic career							
Career path and professional experience							
Project title	Budget (EUR)	Source of financing	Project duration		Project carried out by a consortium?	Role in the project	Main project outcomes
			<i>from</i> <i>(year)</i>	<i>to</i> <i>(year)</i>	<i>yes/no</i>		
Scientific achievements, including the most important publications in the AI area							
<i>Attachment in pdf (if applicable)</i>							
Achievements in the field of commercialising research outcomes, including in the area of industrial property rights							
<i>Attachment in pdf (if applicable)</i>							

2. Experience of the Applicant in R&D projects and commercialisation of project outcomes

Experience of the Applicant

3. Human resources

Key R&D personnel

First name	Surname	Education	• Academic title/degree (if applicable)
------------	---------	-----------	---

ORCID			
Career path and professional experience			
Scientific achievements, including the most important publications in the AI area			
Achievements in the commercialisation of research outcomes, including in the area of industrial property rights			
Role in the project			
Involvement in the project			
Is the person an employee of the Applicant?	YES	NO	

R&D personnel to be employed (if applicable)

--

4. Administrative resources

--

5. Project management

--

6. Technical resources and intangible fixed assets (IFA) necessary for the project implementation

Access to instruments/infrastructure necessary for the project implementation

Technical resources at the Applicant's disposal		
Resource	Purpose	Task number
		<i>Dropdown list</i>

Technical resources to be purchased		
Resource	Purpose	Task number
		<i>Dropdown list</i>

Intangible assets necessary for project implementation

Intangible assets at the Applicant's disposal		
Resource	Purpose	Task number
		<i>Dropdown list</i>

Intangible assets to be acquired		
Resource	Purpose	Task number
		<i>Dropdown list</i>

7. Subcontractors (if applicable)

Is the Applicant planning on engaging subcontractor/subcontractors?	<input type="checkbox"/> yes	<input type="checkbox"/> no
---	------------------------------	-----------------------------

8. Data management plan

<i>Attachment in pdf (regarding general research)</i>

9. Ethical issues

Does the planned research require actions related to ethical issues (see Appendix No. 14 to the Rules and Regulations of the Call)?	<input type="checkbox"/> yes	<input type="checkbox"/> no
Description of planned or undertaken actions in the scope of ethics, related to the planned project and regarding issues mentioned in Appendix No. 14 to the Rules and Regulations of the Call.		

VII. FINANCIAL PART (PROJECT BUDGET)

COSTS OF IMPLEMENTING THE PROJECT

1. GENERAL RESEARCH - NCN

1.1. REMUNERATION (W)

GENERAL RESEARCH				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

1.2. SUBCONTRACTING (E)

GENERAL RESEARCH				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

1.3. OTHER DIRECT COSTS (Op)

GENERAL RESEARCH				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

2. INDUSTRIAL RESEARCH, DEVELOPMENT WORKS, PRE-IMPLEMENTATION WORKS, SUPPORT FOR ESTABLISHING SPECIAL PURPOSE VEHICLES – NCBR

2.1. SALARIES (W)

INDUSTRIAL RESEARCH

Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number
DEVELOPMENT WORKS				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number
PRE-IMPLEMENTATION WORKS				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

2.2. SUBCONTRACTING (E)

INDUSTRIAL RESEARCH				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number
DEVELOPMENT WORKS				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number
PRE-IMPLEMENTATION WORKS				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number
SUPPORT FOR ESTABLISHING SPECIAL PURPOSE VEHICLES				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

2.3. OTHER DIRECT COSTS (Op)

INDUSTRIAL RESEARCH				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number
DEVELOPMENT WORKS				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

PRE-IMPLEMENTATION WORKS				
Name of the eligible cost	Amount of eligible cost	Justification	Estimation method	Task number

Expenses incurred by the Applicant as deductibles	
Name of the cost	Value of the cost
	Total

VIII. INDICATORS

1. PRODUCT INDICATORS

Applicant

Indicator name	Unit	Target value
Number of scientific papers prepared within the CE AI project and published in highly ranked/leading specialised magazines of AI area:	pcs.	
Including post-conference materials	pcs.	
Number of presentations at highly ranked international conferences (A* or A category) in AI field with presentations prepared within the CE AI project	pcs.	

2. DIRECT OUTCOME INDICATORS

The Applicant

Indicator name	Unit	Target value
Number of defended within the CE AI project dissertations in AI area.	pcs.	
Number of promoted within the CE AI project postdoctoral dissertations in AI area.	pcs.	

Total for the project

Indicator name	Unit	Target value
Number of created CE AI.	pcs.	
Number of entities created within the CE AI project for the purpose of commercialising project outcomes for instance in the form of special purpose vehicle.	pcs.	
Number of project contracts or agreements executed within the CE AI, including international, in scope of common science and research projects, development works, promotions or business enterprises.	pcs.	

3. IMPACT INDICATORS

Total for the project

Indicator name	Unit	Target value
Number of implemented results of projects implemented within the CE AI project in Poland	pcs.	

IX. REPRESENTATION

1. Representations of the Applicant

I hereby represent, that: I acknowledged the Rules and Regulations of the Call and accept thereby terms.	YES/NO
I hereby represent, that: The application being submitted doesn't violate the rights of third parties.	YES/NO

<p>I hereby represent, that:</p> <p>English language version of the application is identical as Polish language version.</p>	<p>YES/NO</p>
<p>Within this call there are two personal data co-administrators - NCBR and NCN. Below each of entities transfers informative duties due to co-administrating.</p> <p>Regarding people whose data has been received by NCBR from them directly.</p> <p>Pursuant to Art. 13 section 1 and 2 of the Regulation of European Parliament and Council (UE) 2016/679 of April 27, 2016 on protecting physical persons in relation to personal data processing and on free transfer of such data as well as lifting the directive 95/46/WE (hereinafter referred to as „RODO”):</p> <ol style="list-style-type: none"> 1) The administrator of personal data is National Centre for Research and Development with registered office in Warsaw (00-695), ul. Nowogrodzka 47a, 2) The inspector of personal data can be contacted via e-mail: iod@ncbr.gov.pl, 3) Personal data is processed within the Common National Enterprise ARTIQ – AI Centres of Excellence for the purpose of conducting the procedure of assessment and selection of project, executing the contract for financing the project, supervising the performance of project, its evaluation, control, audit, and assessment of informative and promotion actions, its receipt, appraisal and financial calculation as well as potential determining, vindicating and defending claims, 4) Personal data is processed based on Art. 6 section 1 letter e of RODO and Art. 27 of the Act of April 30, 2010 on National Centre for Research and Development, the processing is necessary for performing the task implemented in public interest, 5) Providing personal data is the requirement for participation in actions stipulated in point 3, 6) Personal data shall be processed for the whole time of the occurrence of the call procedure and for the time of implementing the contract for financing the project, supervising the performance of project, its evaluation, control, audit, and assessment of informative and promotion actions, its receipt, appraisal and financial calculation as well as potential determining, vindicating and defending claims and shall be stored for archival purposes for the period compliant with office instruction of NCBR and Unified Substantive File Register, 	<p>YES/NO</p>

- 7) The recipient of personal data shall be government agencies and entities performing public tasks or those acting on behalf government agencies, in scope and for the purposes, deriving from law provisions, as well as entities performing services necessary for implementing tasks by NCBR. Such data can be also transferred to IT partners, entities performing technical and organisational support,
- 8) I have the right to access the contents of my personal data, correcting my data and limit processing my personal data as well as to object,
- 9) I have the right to submit a complaint to Inspector General for Personal Data Protection and in member state of my ordinary residence, my workplace or place of presumed violation,
- 10) My personal data shall not be transferred to third country,
- 11) My personal data shall not be subject to automated decision-making process including profiling.

Regarding people whose data has been received by NCBR from them directly.

Pursuant to Art. 14 section 1 and 2 of the Regulation of European Parliament and Council (UE) 2016/679 of April 27, 2016 on protecting physical persons in relation to personal data processing and on free transfer of such data as well as lifting the directive 95/46/WE:

- 1) The administrator of personal data is National Centre for Research and Development with registered office in Warsaw (00-695), ul. Nowogrodzka 47a,
- 2) The inspector of personal data can be contacted via e-mail: iod@ncbr.gov.pl,
- 3) Personal data is processed for the purpose of conducting the procedure of assessment and selection of project, executing the contract for financing the project, supervising the performance of project, its evaluation, control, audit, and assessment of informative and promotion actions, its receipt, appraisal and financial calculation as well as potential determining, vindicating and defending claims,
- 4) personal data were obtained from the Applicant in the competition,
- 5) Personal data is processed based on Art. 6 section 1 letter e of RODO and Art. 27 of the Act of April 30, 2010 on National Centre for Research and Development, the processing is necessary for performing the task implemented

in public interest. Categories of processed personal data are the below:

- a. First and last name,
 - b. TAX ID, REGON,
 - c. Address,
 - d. Role/Position,
 - e. Phone number, e-mail address,
 - f. Education,
 - g. Title/Degree/Profession,
 - h. ORCID,
 - i. Professional experience,
 - j. Position/role in the project,
 - k. Vote,
- 6) Personal data shall be processed for the whole time of the occurrence of the call procedure and for the time of implementing the contract for financing the project, supervising the performance of project, its evaluation, control, audit, and assessment of informative and promotion actions, its receipt, appraisal and financial calculation as well as potential determining, vindicating and defending claims and shall be stored for archival purposes for the period compliant with office instruction of NCBR and Unified Substantive File Register,
- 7) The recipient of personal data shall be government agencies and entities performing public tasks or those acting on behalf government agencies, in scope and for the purposes, deriving from law provisions, as well as entities performing services necessary for implementing tasks by NCBR. Such data can be also transferred to IT partners, entities performing technical and organisational support,
- 8) I have the right to access the contents of my personal data, correcting my data and limit processing my personal data as well as to object,
- 9) I have the right to submit a complaint to Inspector General for Personal Data Protection and in member state of my ordinary residence, my workplace or place of presumed violation,
- 10) My personal data shall not be transferred to third country,
- 11) My personal data shall not be subject to automated decision-making process

including profiling. I hereby represent, that I undertake on behalf of NCBR to perform for the third parties that such data regard, informative duties deriving from Art. 13 and 14 of RODO and to meet before all people indicated in the application for financing the project, informative requirements, mentioned above.	
I hereby represent, that: 1) In case of receiving the funds for implementing the project, double financing rule shall not be breached. Double financing in the meaning of illicit reimbursement in whole or in part of a particular expense twice from public funds (EU or domestic), 2) The tasks comprehended in the application are not financed from the funds coming from other sources and the Applicant/Leader is not applying for financing from other sources.	YES/NO
I hereby represent, that the Applicant:	YES/NO
Doesn't have a right to take off or reimbursement of incurred VAT and because of that applies for refunding VAT in part within the project. At the same time, undertakes to return the reimbursed within the project VAT, should the prerequisites come up for reclaiming or deducting the tax ² ,	YES/NO
Doesn't have a right to take off or reimbursement of ultimately incurred VAT; however, shall not apply now or in the future apply for financing any part of VAT within the project,	YES/NO
Shall have a right to deduct or be reimbursed of the VAT incurred in relation to actions comprehended in the application.	YES/NO
I hereby represent, that: All and any required approvals/positive opinions/permits/consents of the appropriate bio-ethical, ethical commission or other adequate body, in every case the project pertains research:	YES/NO
<ul style="list-style-type: none"> • Being medical experiments within the meaning of Art. 21 of the Act of December 5, 1996 on medical and dentist professions, 	YES/NO
<ul style="list-style-type: none"> • Clinical in scope of medical products, equipping medical products or active medical products for implantation, stipulated in the Act of May 20, 2010 on medical products, 	YES/NO

² This option should also be marked in case of taking off VAT with pre-index.

<ul style="list-style-type: none"> • Clinical of pharmaceutical products, stipulated in the Act of September 6, 2001 Pharmaceutical Law, 	YES/NO
