Legalization of school certificates

School certificates may be legalized at our consulate, provided they have first been authenticated by their originating country's Ministry of Foreign Affairs.

South African certificates can only be authenticated by South African authorities. To do so, first you must contact UMALUSI to get your certificate verified: <https://www.umalusi.org.za/services/verification/> and then you must contact DIRCO to get your verified certificate Apostilled: <https://www.dirco.gov.za/consular-notarial-services/>

It is your responsibility to request legalization only if it's required by your university, and well before your intention to travel to Poland. You may bring your certificates (originals *and* authenticated copies) for legalization to your visa appointment (if you have one). The fee in cash is R611 per certificate.

If you only want to legalize your certificates, please make an appointment for "Legal Matters" through the e-Konsulat system: www.e-konsulat.gov.pl Processing time in this case is 1-2 days.
