

WR.RPC.5032.27.2024.PK

NOTICE TO SKIPPERS no. 27/2024

Change in traffic organization on sections of the Downtown Floodway System in Wrocław

Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 – Water Law (Journal of Laws 2024, item 1087) and Art. 43 sec. 6 of the Act of December 21, 2000 on inland navigation (Journal of Laws of 2024, item 395),

State Water Holding Polish Waters Regional Water Management Board in Wrocław would like to inform that from August 2, 2024 there will be changes in the organization of shipping traffic on the Downtown Floodway System in Wrocław between the Piaskowy and Tumski bridges and the Mieszcząńska lock.

One-way traffic is being introduced on the Maciej Bridge.

The above sections are marked in accordance with § 5.02 of the Regulation of the Minister of Infrastructure of April 28, 2003 regarding navigation regulations on inland waterways (Journal of Laws of 2003, No. 212, item 2027) and meet the requirements governing the principles of navigation at night.

Traffic organization in the Downtown Floodway System:

- Under the Maciej Bridge there is one-way traffic
- On the section from Klara Isthmus to Młyński Bridge there is one-way traffic up the river (no downstream traffic).
- Wave generation is banned throughout the Downtown Floodway System and the traffic of craft without power drive is prohibited.

Notice to Skippers no. 18/2023 is no longer valid.

Current information on the hydrological and navigational situation on the Oder River (navigational information) is available on the SWH PW RWMB Wrocław website, in the tab [AKTUALNOŚCI - informacje żeglugowe](#). For further information, you can contact the Operations Centre of SWH PW RWMB in Wrocław on working days from 07:00 a.m. to 4:00 p.m. by phone: 71 32 80 587.
