

Embassy
of the Republic of Poland
in Reykjavik

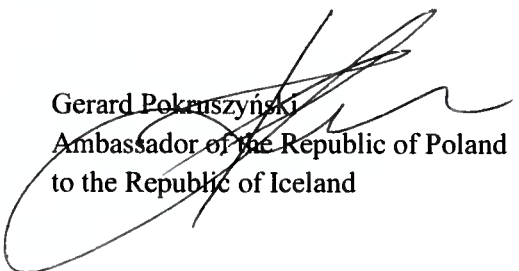

Reykjavik, 29 June 2020

Mr President,

Thank you very much for your letter of condolence. The Polish community in Iceland is still deeply shaken by this terrible tragedy, and our thoughts are with the victims of the fire and their families. I would like to thank you and the Icelandic people for your support and expression of solidarity in this difficult time. In particular, I would like to acknowledge the firefighters, police and medical staff who participated in the rescue mission.

It is also my hope that this tragic event will lead to greater awareness of the poor condition in which some Polish and other immigrant workers are finding themselves. I would like to offer my help to work with the Icelandic authorities where necessary towards improving the situation of immigrant workers.

With kind regards,

Gerard Pokruszynski
Ambassador of the Republic of Poland
to the Republic of Iceland

H.E. Mr. **Guðni Th. Jóhannesson**
President of the Republic of Iceland
Reykjavik
