

We would like to invite you to the Info Saturday at the Office for Foreigners

During the event, foreigners will be able to:

- gain knowledge in the field of legalization of stay,
- obtain information about cases led by the office,
- inspect the files,
- pick the letters and summons and make statements for the record,
- submit documents,
- personalize documents for refugees

We also invite you for the WEBINAR on "International protection and temporary protection in Poland" on the zoom platform. Please send your registration to the following e-mail address: webinar@udsc.gov.pl. In the application, you have to provide your name, specify the type of participant (private person / government institution / NGO / proxy / other) and provide the e-mail address to which you want to receive the invitation and the country from which you will be connected to the webinar.

To arrange individual consultations (information on a specific case, inspection of the files), please, book a date
