SUPPORT FOR
INNOVATIVE START-UPS

50K PLN + 250K PLN

The program is operated by Lublin Science and Technology Park (LSTP), working for the economic development and innovation of the Lublin region. LSTP's mission is to build real partnerships between business and science in Lublin, as well as developing academic entrepreneurship.

Benefits for Startups:

- ▶ **50K PLN + 250K PLN for setting up a business in Poland**
- ▶ **Equity free Acceleration and Soft-landing programs**
- ▶ **Access to polish corporations, R&D centers and investment funds**
- ▶ **Access to Single European Market**
- ▶ **Access to a vast opportunity of equity free EU grants**
- ▶ **Expert support across the entire process of development**

... and more!

Connect Poland Prize -
The program aims to support start-ups from outside of Poland and to strengthen the Polish start-up ecosystem through the transfer of innovative ideas, business culture and talent from different countries.

The project is implemented for start-ups operating in the areas of:

- ▶ **Pharmaceutical Biotechnology**
- ▶ **Bioeconomy**
- ▶ **Industrial Internet of Things (IIoT)**
