How to submit a proposal using the PT-Outline tool?

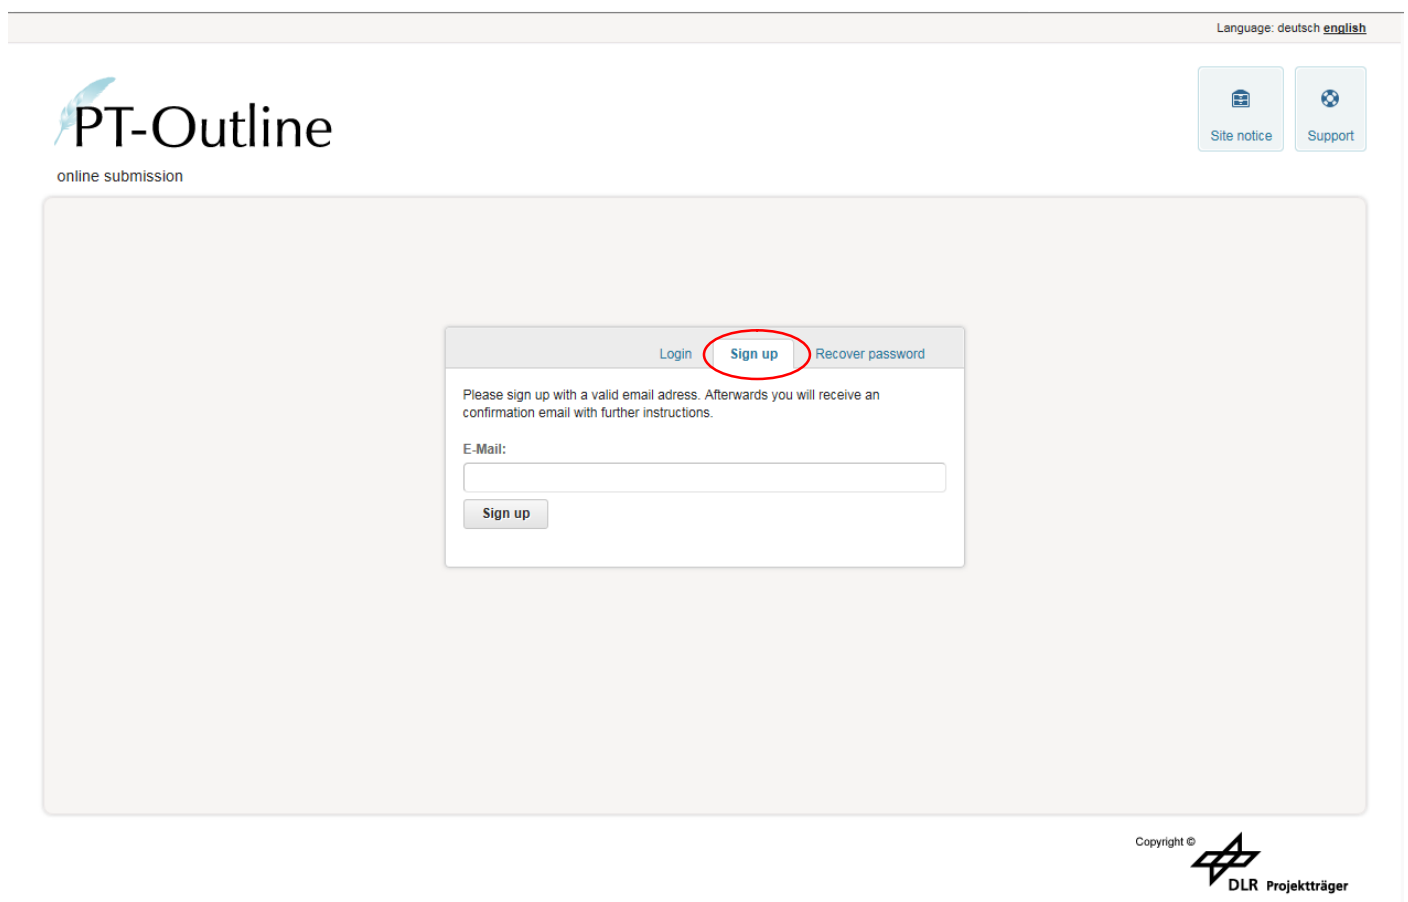

Registration on the PT-Outline website

To submit a proposal for the EIG CONCERT-Japan Joint Call, you will have to use the online webtool PT-Outline at: https://ptoutline.eu/app/eigjapan_jc2020

Only one of the project leaders (the principal project leader) should formally submit a proposal on behalf of the whole project consortium. The second project leader and the other project partners do not have to submit a separate proposal to the PT-Outline tool.

To prepare the proposal online, you first have to register by clicking on the **Sign up** tab.

You will then be guided to the **Registration page** where your email address has to be entered. A link to an individual password will then be sent to your email address. The **individual password will be displayed only once**; please make sure that you remember it during the whole proposal submission phase. The password is case-sensitive and cannot be changed.

Overview page

After having logged in with the username (email address) and password, you will be guided to the **Overview page** which gives information on how to proceed.
