

**Kingdom of Saudi Arabia
Ministry of Foreign Affairs**

The Ministry of Foreign Affairs of the Kingdom of Saudi Arabia presents its compliments to the Embassy of the Republic of Poland in Riyadh, and with reference to the Embassy's note No. KAS/26/2014 dated 01.07.2014, requesting information on phytosanitary requirements in relation to consignments containing plants and plant products, particularly fresh fruit (mainly apples) and vegetables imported from Poland, and requesting a list of quarantine organisms and goods which should be accompanied by a phytosanitary certificate while imported to the Kingdom.

The Ministry of Agriculture informed that according to the regulations of plant quarantine law for Gulf Cooperation Council (GCC), article No.13, all plants and plant products imported to the Kingdom should be accompanied by plant health certificate.

The Ministry avails itself of this opportunity to renew to the Embassy of Poland the assurances of its highest consideration.
