Reference: AC/4(PP)D/27482-ADD1; AC/4-DS(2018)0021 - 4.1.1

During the meeting on the 11 September 2018 the Investment Committee at "28S-B" granted Germany the authority to issue the invitation for bid for the above-mentioned project and agreed to the procurement method National Competitive Bidding Plus (NCB+) for the predominant part of the scope.

Referring to this the following tender is planned for September 2019:

security fence / protection

In this tender, preparation and soil works from the civil engineering sector as well as the drilling of mud wells are required. In addition, cable work has to be carried out from the area of electrical engineering as well as services concerning cable protection pipes and shafts.

The work is to be carried out between November 2019 and November 2020.

It is estimated to cost 935,500 euros in net total.

If there are any eligible firms in your country, which want to participate in this national competitive bidding, you are kindly requested to inform the German Delegation up to the

13 September 2019.
