Subject: National Call for Bids for NATO Security Investment Project in Hungary;
NCB+ for various projects
 Location: Kecskemét Airbase, Hungary, CP 9A1385

Reference: AC/4(PP)N(2019)0015 (INV)

During the meeting on 26 February 2019 the Investment Committee at "29B" granted Hungary the authority to issue the invitation for bid for several projects in Kecskemét airbase and agreed to the procurement method National Competitive Bidding Plus (NCB+) for the major part of the projects.

In this regard, the following tenders are planned for March 2019:

No.	Project code:	Project description:	Estimated cost (EUR)
1.	3AF17116	Restore runway	21 172 000
2.	3AF17118	Upgrade existing parking platforms for aircrafts	15 938 000

The works are intended to be carried out between April and December 2019.

If there are any eligible firms in your country, which intend to participate in this national competitive bidding, you are kindly requested to inform the Hungarian Delegation up to the **8 March 2019**.
