

2nd call within the INNOGLOBO Programme

Appendix No. 5 to the Rules

Criteria for formal (preliminary) assessment of the application

The formal (preliminary) assessment of the Application is made according to the following criteria:

- 1) meeting the conditions for participation set out in the Rules of the Call;
- 2) participation of partners from Poland and abroad in the international consortium implementing project;
- 3) submitting the Application with the appendices in one of the forms provided for in Chapter IV section 9 of the Rules in the required procedure and by the required deadline;
- 4) fulfilment of the condition concerning the percentage share of financial resources in the project coming from all foreign consortium members in total, as specified in Chapter III section 10 of the Rules;
- 5) fulfilment of the condition concerning the percentage share of the Polish Applicant in the eligible costs of the project, as specified in Chapter III section 11 of the Rules;
- 6) correctness and completeness of the Application together with the appendices, relevant for the given partner of the Applicant;
- 7) submission, on the part of each foreign partner participating in the project, of a declaration on secured project funding for the project implementation (in case the project receives a grant), as indicated in chapter IV section 4;
- 8) a financially correct project budget and a formally correct project schedule;
- 9) attachment of the required documents specified in section 1 of Appendix 4 to the Rules "List of Documents".
