

WR.RPC.5032.32.2024.KM

NOTICE TO SKIPPERS no. 32/2024

Regarding temporary closure of the Odra Waterway from 257.00 km to 258.00 km

Pursuant to Art. 14 sec. 1(4) of the Act of July 20, 2017 – Water Law (Journal of Laws 2024, item 1087) and Art. 43 sec. 6 of the Act of December 21, 2000 on inland navigation (Journal of Laws of 2024, item 395),

State Water Holding Polish Waters Regional Water Management Board in Wrocław informs, that due to the need to carry out repairs on the elements of the Hydroelectric Power Plant Oława from August 27 to August 31, 2024 there will be fluctuations in water levels on section of Odra between Lipki and Oława (km 206+920 – 213+300), due to the reduction of the water level on the Oława water stage by 50 cm.

In view of the above, for the safety of navigation, the skippers of all vessels entering the designated area are required to familiarise themselves with the current navigational situation in the area. We ask all ODW users to take the situation into account in their shipping plans.

Current information on the hydrological and navigational situation on the Oder River (navigational information) is available on the SWH PW RWMB Wrocław website, in the tab AKTUALNOŚCI - informacje żeglugowe. For further information, you can contact the Operations Centre of SWH PW RWMB in Wrocław on working days from 07:00 a.m. to 4:00 p.m. by phone: 71 32 80 587.
