11th National Migration Network Conference

“Support provided to foreign victims of trafficking in human beings – lessons learned from referral mechanisms”

20th October 2015

Ministry of the Interior and Administration [Warsaw, main entrance on 2A Rakowiecka street, conference room 416 and 421, 4th floor]

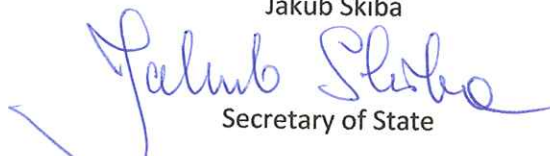

Dear Sirs!

The Ministry of the Interior and Administration of the Republic of Poland is honored to welcome Your participation during the 11th National Migration Network Conference titled.: “Support provided to foreign victims of trafficking in human beings – lessons learned from referral mechanisms”. The main goal of the conference is to evaluate the current referral mechanisms and show the best practices in this area. The conference will be held on the 20th of October at the Ministry of the Interior and Administration, between 09:00 and 16:00.

Selected regional and national referral mechanisms aimed at providing assistance to victims of human trafficking: identification, legal and organizational support and interinstitutional cooperation, will be presented and discussed during the conference. We will make an attempt to answer the following questions: Is it worthwhile to create a referral mechanism at the regional level? Perhaps a better option is to establish bilateral cooperation? Do the national referral mechanisms include the option of voluntary return of foreigners?

The Conference aims to be a high-profile event and will gather experts representing different European entities as well as EU Member States working on the subject. The provisional agenda of the National Network Conference is attached to this invitation. For logistic reasons, I would kindly ask you to confirm your participation in the event by the 17th of October of 2016 through the [link](https://emn.gov.pl/esm/wydarzenia/spotkania-krajowej-sie/14428,Jedenasta-konferencja-Krajowej-Sieci-Migracyjnej.html) listed below: <https://emn.gov.pl/esm/wydarzenia/spotkania-krajowej-sie/14428,Jedenasta-konferencja-Krajowej-Sieci-Migracyjnej.html>.
