Thursday, 17 November 2022, 14h00-15h00

European Institute of Innovation & Technology - key challenges ahead

We cordially invite you to attend our monthly meeting with a distinguished guest

Prof. Nektarios Tavernarakis

European Institute of Innovation & Technology Governing Board Chair

Hosted by Ewa Kocińska-Lange,

Director, NCBR Office in Brussels/Business & Science Poland

- What makes a successful EIT innovation community?
- How EIT achieves its mission of strengthening Europe's innovation capacity?
- What is the role of EIT in fostering the engagement of SMEs and large business partners?
- How EIT will contribute to transforming the education landscape for innovation?
- How EIT supports the New European Innovation Agenda with an emphasis on the challenge to attract one million deep tech talents and the development of innovation valleys?

If you would like to learn this and more, join us and take part in our Q&A session !
