

**ANNEX A****SUMMARY DESCRIPTION AND COST ESTIMATE OF PRESENT NOTIFICATION****A) GENERAL**

The NATO Support and Procurement Agency (NSPA) has been designated by the NATO Investment Committee (IC) as the Host Nation for **Capability Package (CP) 9A1101 “NATO Response Force (NRF) Assets and Support”**, and granted the authority to issue an ICB (International Competitive Bidding) for the implementation of **Project 5HQ27107, entitled “Storage and Transportation Assets”**.

The following information provides an overview of the requirements that will be released during the ICB period:

Project 5HQ27107 includes the following sub-projects:

- 5HQ27107-01: Containers, 463L pallet accessories, ISO pallets.
- 5HQ27107-02: Vehicles
- 5HQ27107-03: Material Handling Equipment
- 5HQ27107-04: Tools and Facility Equipment
- 5HQ27107-05: HAZMAT storage and spill response

**Project objective**

The Contractor shall provide equipment for rapidly deployable camps accommodating up to 1800 people. The camps shall consist of modules and sub-modules stored readily available for multi-modal transport including transport by military fixed wing aircrafts. Combined with elements not included in this SOW, this equipment will be used by military forces for a large spectrum of missions that may occur over a wide range of geographic environments and climatic conditions. Accordingly, the solution proposed shall provide flexibility and modularity, shall be agile yet heavy duty and capable of performing under difficult climate and terrain conditions with minimum support. .

**Scope**

This project includes:

- Supply of storage and transportation equipment including but not limited to different types of ISO Containers, accessories for the 463L air pallet system, and ISO pallets for new warehouses,
- Supply of vehicles including but not limited to fuel, potable and waste water bowsers, ambulances and fire response vehicles,
- Supply of material Handling Equipment including but not limited to rough terrain forklifts (RTFL), rough terrain container handlers (RTCH) and warehouse forklifts,
- Supply of specialised tools and equipment for CP1101 material,
- Supply of HAZMAT first response kits and HAZMAT storage capacity,
- Packaging and packing plan developed in order to provide on optimised solution,
- Logistic support package including but not limited to documentation, bar coding, spares and tools,
- Engineering, testing, verification and validation as required,
- Training, Commissioning and Acceptance,
- Project Management and Reporting,
- Delivery: mainly Taranto – ITA but for containers other destination may apply as appropriate.

B) SPECIFIC TERMS AND CONDITIONS

a. DELIVERY

Up to 5 years for deliveries related to Outline Agreements (OA) and up to 12 months after contract award depending on the complexity of the sub-project or lot as described in the forthcoming International Competitive Bidding (ICB).

b. PARTIAL BIDDING

Separate ICB's are envisioned per sub project. Bidding per lot as described in the forthcoming ICB could be authorised, but partial offers within a lot will not be accepted.

c. FOLLOW-ON SERVICES

No follow-on services are envisioned at this stage, however offers to provide extra services (in option) are included.

d. REQUIREMENTS IN OPTION

Requests for requirements in option are included.

e. QUALITY ASSURANCE

Requirement for Quality Assurance is included.

f. SECURITY LEVEL REQUIRED

NATO UNCLASSIFIED.

g. LANGUAGE

- 1) The "Statement of Work" and subsequent contract will be in the English language.
- 2) Offers and any communication to be made by the Bidders, and any technical data or documentation to be furnished by the Contractor must also be in English.

h. CURRENCY CONVERSION RATES

N/A at this stage.

C) FINAL CONSIDERATIONS

a. NSPA intends to issue the International Competitive Bidding Package to interested firms at a date yet to be determined, but not before **06 May 2019**. The Bidders will be allowed not less than 30 calendar days to reply to the relevant ICB.

b. The bids to be received in response to the NSPA ICB mentioned above will be valid for a period of no less than 180 calendar days.

c. The envisioned bidding method is "ICB under NSPA Regulations".

d. The information to be provided to the Bidders will be up to NATO UNCLASSIFIED.

e. Please note that actual quantities to be included in the ICB may vary slightly from those specified in this NOI. Some project deliverables may be included in ICBs as options to be acquired at later stages of the project implementation process.

f. **ESTIMATED VALUE FOR THESE CONTRACTS IS: 14,500,000 € without options.**
