eVALUatE

Why to become an expert for Horizon Europe?

The European Office of Cyprus – Brussels Office, NCBR Office in Brussels – Business & Science Poland, Slovenian Business & Research Association, Eötvös Loránd University, the National Research, Development, and Innovation Office in Hungary and the Lithuanian RDI Liaison Office in Brussels (LINO) would like to invite you to participate in our event entitled eVALUatE – Why to become an expert for Horizon Europe?

This online event will be focused on the added value of being an evaluator of RDI framework programme proposals. After the keynote speech of the European Commission on how to become an evaluator, a panel discussion will follow on why to become an evaluator, by speakers from Cyprus, Poland, Slovenia, Hungary and Lithuania. Questions like how do you evaluate the proposal? Where do you start? What are you looking at in the project as an evaluator? What are the advantages (and disadvantages) of being an “evaluator”? and many more will be answered.

Should you be interested in participating in the event, please register [here](#).

Please find attached the latest draft version of the event agenda.

If you are interested in further information, we kindly invite you to visit our event [website](#).

The deadline for registration is Monday, 04/04.

Please feel free to forward this invitation to interested colleagues.

If you have any question, please don't hesitate to contact Aliko Varella at varella.aliki@ucy.ac.cy
